

SurfTech® Turfmark AG

high performance line-marking paint

22/03/21

DESCRIPTION

SurfTech® Turfmark AG is a high performance two-pack polyurethane paint designed for the line-marking of synthetic grass pitches and sports courts.

SurfTech® Turfmark AG is designed using ultraviolet light stable polyurethane technology, which means that the paint will retain its colour and visibility throughout its service life.

SURFACE PREPARATION

The surface must be clean, dry and free from oil, grease and other contaminants that may affect the adhesion of the paint.

APPLICATION

SurfTech® Turfmark AG is applied by airless sprayer. Coverage will depend on synthetic grass type and fibre length. Application can be in one or two coats.

SurfTech® Turfmark AG can be diluted with SurfTech® Thinners up to a maximum of 10% by volume.

TECHNICAL DATA

Coverage:	Depends on synthetic grass type and fibre length.
Colours:	White, red, yellow and blue. Other colours can be made to order.
Drying Time:	4-6 hours depending on ambient temperature and air movement.
Packaging:	4 litre packs.
Storage:	Store in dry conditions above 5°C.
Shelf Life:	12 months in original unopened packaging.
Cleaning:	Using SurfTech® Thinners, clean all machinery, tools and equipment before the paint has dried.
Health & Safety:	SurfTech® Turfmark AG is a solvent-based paint. When spraying take suitable precautions to avoid inhalation. Please refer to the current Health & Safety datasheet.
