

SurfTech® Multiline

water-based coating for court lines and area colouring

15/04/21

SurfTech® Multiline is a two-component water-based coating.

SurfTech® Multiline is formulated for the marking of court lines and colouring of other areas on wood, polyurethane, rubber and vinyl floors in gymnasiums and sports halls.

SurfTech® Multiline has excellent adhesion to a wide range of sports surfaces.

SurfTech® Multiline is flexible, hard wearing and provides sharp crisp lines which will delineate multiple lines on the sports floor making them easy to see and ideal for use and encompass a wide range of sports.

SurfTech® Multiline is quick drying and water-based making it safe to use for indoor marking where traditional solvent based line marking paints cannot be used.

The Environment

The materials used in these surfaces are environmentally friendly, using water-based polymer coatings.

Colour Range

The recommended colours for each sport are as follows:

Netball - Red (or any colour but yellow), Basketball - Black, Badminton - White, Volleyball - Green/Light Blue, 5-a-side Football - Blue/Yellow, Tennis - Yellow.
